Option B: to be used by a malfunctioning team					
Full name	Student#	QUT Email	%	Tut #	Tutor name
Person1_full_name	n123456	Person_name@qut.edu.au	70		
Person2_full_name	n123456	Person_name@qut.edu.au	30		
Total must equal:			100		
As the submitter of this assignment I confirm that the above percentage distribution was [**agreed by both** / **submitted separately and not negotiated**]					

In the example above: person 2 contributed 20% less than person 1.

Instructions for option B:
Option B should be used when contribution to the assignment was significantly unequal between team members. Teams are required to collectively negotiate and agree to a representative % contribution. Where possible both should agree with the negotiated outcome (however you may each submit separately if necessary). The unit coordinator or tutor will consider if marks need to be adjusted to reflect individual contributions to malfunctioning teams.
